Affiliate Partnership Program

dialflo

Introduction

At Dialflo, we build AI Voice Agents tailored for Logistics and D2C businesses. Our solutions help companies handle 24/7 customer support, lead qualification & bookings, order tracking & reminders, upsell and customer engagement. To scale this vision, we are inviting strategic affiliate partners who can connect us with businesses that will benefit from our technology.

Objective

The Affiliate Partnership Program is designed to create mutual long-term value. By partnering with Dialflo, affiliates earn recurring income for every successful business referral, while helping organizations adopt AI voice automation suited to their needs.

How It Works

1. **Onboarding:** Affiliate signs up through our program and receives a unique referral link.
2. **Referral:** Affiliate introduces Dialflo to businesses in their network.
3. **Solution Customization:** Dialflo consults with the referred business to tailor AI agents.
4. **Deal Closure:** Once the referred business becomes a paying customer, the referral is recorded.
5. **Revenue Sharing:** Affiliate earns a commission (recurring or one-time)
